Warranty Claim Instructions:

If your device fails or is stolen, contact Weathermatic Customer Care immediately at 1-888-484-3776 to receive your Return Materials Authorization (RMA) number. Be sure to file your warranty claim within 15 days of the loss.

Return the failed product to your Authorized SmartLink Distributor and provide the RMA number. The distributor will verify the RMA number with Weathermatic Customer Care and provide an over the counter exchange of the same equipment as your original, or comparable equipment with similar quality and features. Replacement SmartLink Aircards will carry the same service plan period as the original Aircard claimed under the warranty.

For complete coverage details and contact information, see the SmartLink User Agreement.
